

ADVOCACY RESOURCES COMMITMENT  
Serving individuals with disabilities and their families.

**NEWS RELEASE: June 3, 2010**

**Marquette University Students and Staff Donate Items to ARC**

ARC of Greater Milwaukee (ARC) received a large donation of toiletries, personal items and nonperishable food items from Marquette University's Graduate School of Management. As a participant in the Jesuit MBA Cares National Week of Service, Marquette partnered with ARC as a way to give back to the greater Milwaukee community. The donated items will be distributed to children and adults with developmental and related disabilities served by ARC.

"We are grateful to the students and staff who worked together to collect these needed items. Items that address basic needs truly improve the quality of life for the individuals ARC serves," said Jennifer Arenz, marketing and development coordinator.

ARC is deeply committed to promoting the presence of individuals with disabilities in the community. Celebrating 60 years of service, ARC continues to demonstrate its leadership by providing new and expanded services that meet the emerging needs of the community. These services include education for school-aged youth, in-home crisis intervention and support to aging caregivers and their adult son or daughter with developmental disabilities.

**About ARC of Greater Milwaukee**

Formed in 1949, ARC of Greater Milwaukee is a non-profit organization devoted to improving the quality of life for individuals with developmental and related disabilities, their families and the community. The organization serves over 5,000 individuals annually through information, education, advocacy and life planning programs.
